*Congratulations*

# *Stellar Award Winner*

*Congratulations  
to our  
wonderful Mr. Fredo!*

## October's Employee of the Month

# CONGRATULATIONS!

## Amber Conti

Despite being a new teacher with Magnolia, Amber has remained upbeat, professional, and continues to add momentum to MS/HS initiatives.

Amber provides resources for not only the lesson plans she is writing, but also for other subject areas. She created a template for MPM's and has maintained an organized gradebook and MPM data collection spreadsheet. She is a whiz on Excel!

Amber extends herself to others when they need support, despite being swamped with her own responsibilities. She adds to PLC's and keeps a positive attitude during collaboration activities. Amber is always willing to provide a smile and helps raise up the team by the way she carries herself.

# November 2021

Candace  
Gomez

Candace Gomez finds the time to help strengthen Magnolia's behavior program but also spends time with the students in a way that build positive relationships and decreases negative behaviors. Candace models how we should interact with students and is knowledgeable of what a classroom environment should look like in order to foster learning. On more than one occasion, Candace has stopped what she was doing in order to respond to a request. She doesn't complain about the requests and constantly moving about the school. Candace takes time to listen and it's evident that she considers what her audience is sharing.

# Diane Young

*December Employee of the Month*

*Diane Young is a hard worker and is always on top of things. She assists with all aspects of our classroom. Ms. Diane assists students, participates in lessons, gives lesson / task suggestions, teach students in the momentary absence of the teacher, and helps in other classes when needed. She is a real team player.*

2nd Place - Alexis

2nd Place - Gustavo  
3rd Place- Connor

Thank you staff,

Coach Kyla, Coach Tina & Coach Delta

# *Focus on Learning*

# LEARNING FUN

## Garden Club

# Bridges “Biz-arre” Event Preparation

Magnolia School affords students the opportunity to utilize their abilities to create and make products that are income-producing. We call this “student-based enterprise”. Under the supervision of their staff, students make these products that are sold year-round at school, but are also sold during special days called the “Biz-arre”. Products include soaps and exfoliating scrubs, doggie treats for pet lovers, specialty cards for all occasions and for all seasons, assortments of cookies (sugar, macadamia nuts, oatmeal, cranberry), spices from school-grown herbs, small flowering plants and garden plants and much more. The income from these products helps to supplement the needs of the Bridges program.

## Bridges Community Learning Experience

Ms. Kaufman-Long and Mr. David Creath took their students on a field trip to practice social and communication skills in Winter Park. Students ordered their own meals and enjoyed other sites like those at the Central Florida Railway Museum.

Job well done everyone!

# *Community Involvement*

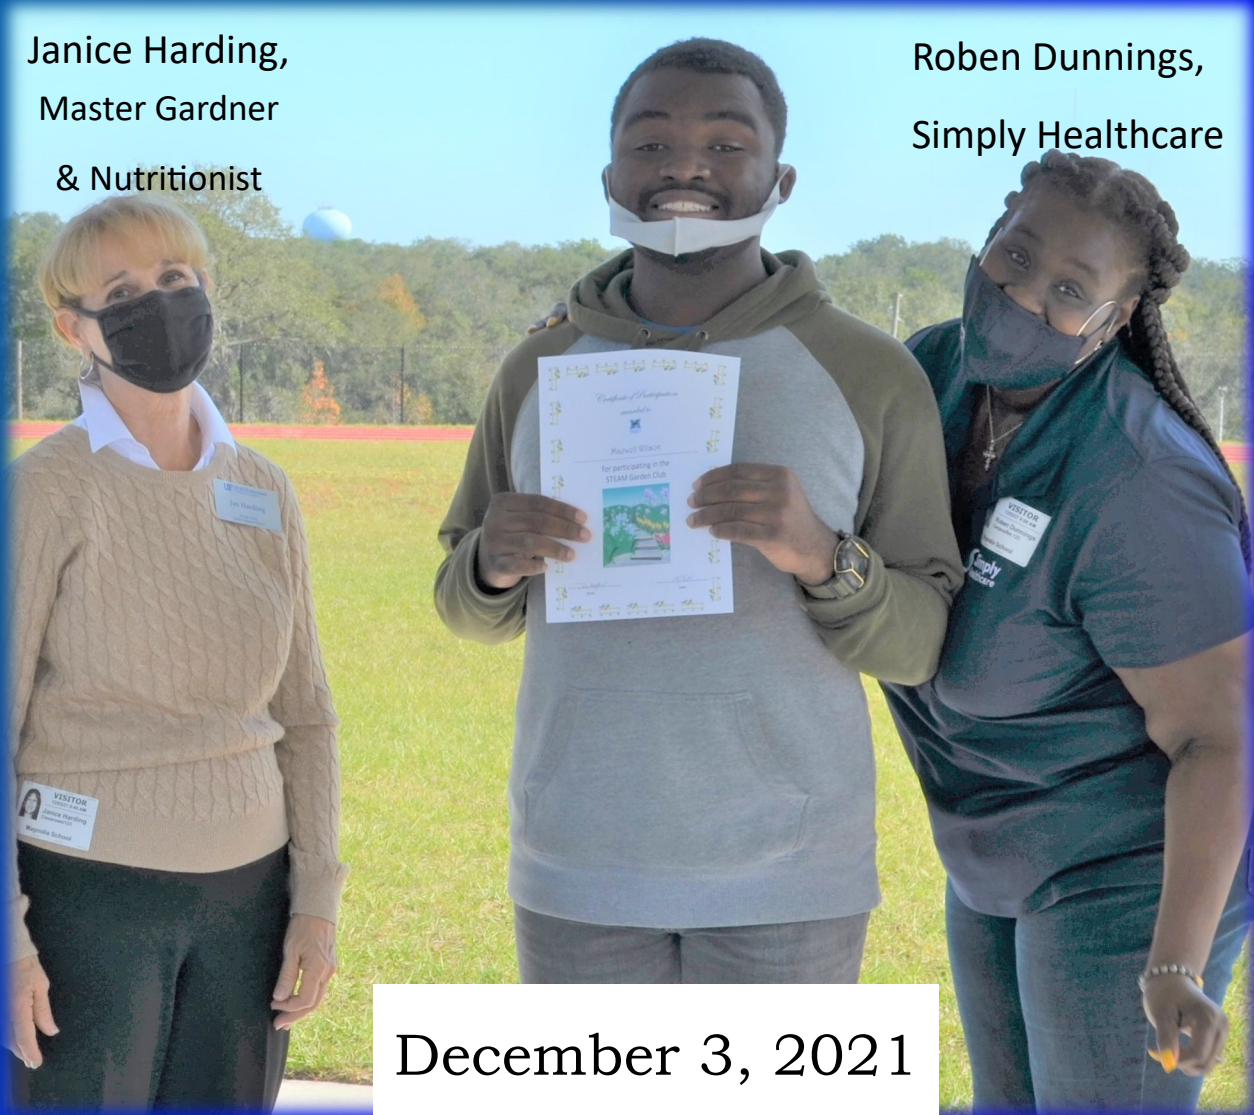

# *UF/IFAS Family Nutrition Program and Simply Healthcare...*

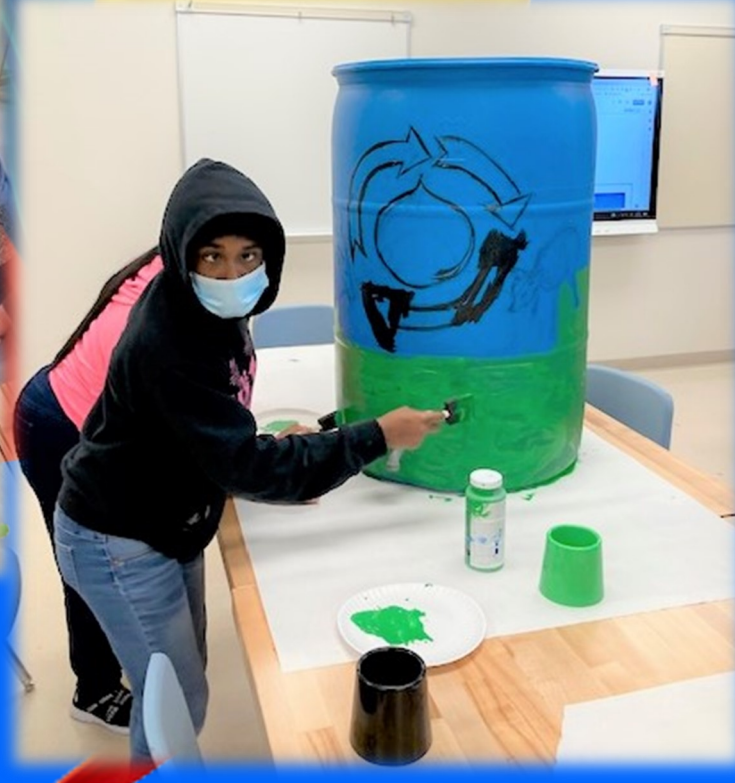

Janice Harding,  
Master Gardner  
& Nutritionist

Roben Dunnings,  
Simply Healthcare

*attended the learning celebration for Middle and High School students in the Health and Nutrition Class and Garden Club . Students ended the event with a healthy salad that contained 4 out of 5 parts of My Plate: grain, fruit, vegetables, and dairy....yum!*

# OUC's Rain Barrel Contest

# *Pine Hills Re-Establishment Day Parade*

A celebration for Pine Hills' 50th year as an unincorporated community that helps promote civic awareness, health awareness, public safety, and many other quality of life initiatives

*December 11, 2021*

# *Happy Holidays*

*Thank you to everyone who attended the holiday concert this year! Enjoy your winter break and we wish you a very Merry Christmas, Happy Hanukkah, Las Posadas, Happy Kwanzaa, Dongzhi Festival; and a Happy New Year!*
