Messages from Teachers

Parents, below you will find some happy and encouraging messages for students from our teachers. Happy reading and we look forward to having a productive school year with a little fun along the way.

Welcome back to all our students! We are glad you are here! --Ms. Driscoll

Mrs. Lange's class has been busy learning the daily routines, rules and procedures. Lots of movement activities, songs and hands on learning fun as we get to know each other better and build our classroom family. It is always so good to see each other's' smiling faces each day! It's going to be a great year!

Our students are transitioning from high school to our Bridges program quite nicely! Because we are Student Services, and work in an office setting, they all have name plates with Mr. or Ms. in front of their names and they are quite proud of it! I even had a student correct a staff who called him by his name, and the student said, "That's MISTER to you!" It was awesome! ---Ms. Kaufman-Long

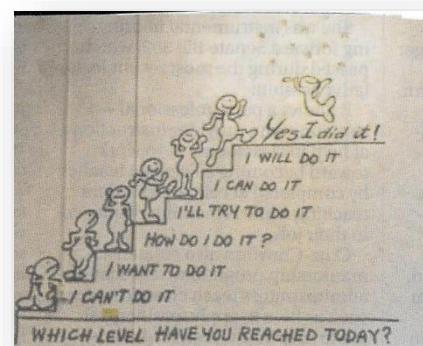

"Welcome Back Students! Thank you for making me feel so welcome! I can't wait to get to know each one of you!" ---Ms. Conti

--Ms. Wilkinson

Welcome back students! ---Ms. Tuck
